

Hello, this year we are going to kick off our fundraising with a La-Tee-Da fundraiser. The profit margin per student will be 40%, but if we can get our sales as a group over \$2,400 the profit goes up to 50%. If you are new to our group, this is where the student will have the opportunity to raise money for the cost of their obligations which you agreed to in the beginning of the season.

\$35 Band shoes unless you have them

\$50 Ad/Patron Due Friday, October 1st, 2021

The \$85 out of pocket expense can be offset with fundraising. If each student is able to sell \$220, (only 22 items) then all profit after would go into the individual students account to use for other expenses that may come up. Students can hold the money in their account for Wildwood in the spring if they participate with Indoor Percussion or even used for the Disney Trip if they signed up for it.

The fundraiser will end August 6, 2021 this will be cash or money order only **no personal checks** will be accepted.

All order forms and money can be placed in the safe that is located in the band room.
