

Greater Johnstown Trojan Marching Band

Dear Business Owner,

The Greater Johnstown Trojan Marching Band is pleased to present you with an easy and effective way to promote your business, while you support the arts. By allowing us to promote, and endorse your business, we can continue our competitive success at the state and regional levels.

How we can help you:

The Trojan marching band members, along with the ever growing fan base, will wear apparel that displays the promotion for this year's show on the front, and your logo on the back. These team shirts will be worn to all of the Trojan Football games, as well as the TOB competitions in which the group performs. They can also be seen for several years to come, as they fondly remember the shows that have been performed over the previous years. We are asking that you consider becoming a part of that legacy by purchasing a Sponsorship/ Advertising block on the back of our shirts.

The sponsorships are available in various sizes to fit your individual advertising budget. Just choose your size, and provide your logo. We will then be proud to support you throughout the region each and every time we wear these shirts.

Our program has won several awards throughout the state, and most recently receiving medals at the indoor competition in Wildwood, New Jersey. With a program that has been consistently growing for the last 7 years, we truly appreciate your support as we embark on another memorable season.

Best Regards,
